

Air Operators or pilots using the Bob Quinn Lake airstrip must self-report and pay for their landing activities (take-offs are free!) to the Bob Quinn Lake Airport Society (BQLAS). The reports are vital to the ongoing viability of the Bob Quinn Airport in that they provide both necessary revenue as well as airport statistics which are used for grant applications. The report can be submitted through the form on the Bob Quinn Lake Airport Society website at www.bobquinnairport.ca (preferred), or via email to the BQLAS at info@bqlas.com. The report must be made within seven calendar days of the activity and shall include:

- Company (if applicable)
- Pilot Name, Address, Phone Number, Email
- Aircraft Type
- Aircraft Registration
- Date and time of each landing
- If applicable, the name of BQLAS subscriber* for whom the landing is directly associated

* *Subscribers to the Bob Quinn Lake Airport Society are responsible stakeholders who have committed their ongoing financial support to the BQLAS and thus receive a 50% discount on all landing fees.*

Landing fees for the BQLAS, inclusive of GST, are summarized in the following tables:
